

POLISHING PADS & COMPOUNDS

WOOL & TERRY CLOTH POLISHING PADS & BONNETS

Due to a huge close-out we are able to offer these first quality terry and wool pads and bonnets (Arnold®, Black & Decker®, 3M®, Waxmaster®, Wen®, etc.) at a big discount. Cotton terry is excellent for applying liquid polishes and waxes. Wool yarn pads are used for final buffing to a high gloss. Lambs wool (actual fur on leather) is the top of the line for polishing delicate finishes like Clear Coats. **Try our special auto polishing kit, which allows you to polish your car with your electric drill at a bargain price. 6 Piece Kit includes 5 1/2" wool compound pad mounted on 1/4" shank, 1 each 8" foam & 8" wool bonnets, 2 terry bonnets, 1 Quart Mirka® mirror polish.** **A \$40.00 VALUE FOR SALE \$17.00.** (Photo inside back cover.)

POLISHING COMPOUNDS

BODY MAGIC™ & MIRKA® LIQUID POLISHING COMPOUNDS

Whether you are removing swirl marks from an automotive surface or polishing a fine lacquered wooden surface, the BODY MAGIC™ line will provide great results at a great price. They contain no silicones which may be harmful to some paint systems. Due to a huge purchase we are offering quarts of **Mirka® Mirror Gloss Finessing Polish (2000 grit) at half price.** This is the last compound you use on a car to remove swirl marks and oxidation before applying wax. Products listed from coarsest to finest.
