

TACK CLOTHS, MASKS & COTTON WIPERS

COTTON TACK CLOTHS AND WIPERS

Our tack cloths are specially treated white cotton cheese cloth used to remove the last particles of dust and fiber from your work piece before you apply a finish. They are 18" X 36" = 648 sq. in., 20 X 12 mesh cotton, folded to 4 1/2" X 4 1/2" and individually packed in poly bags. They are pliable and have a medium tack.

Wipers are new knitted cotton such as you find in an undershirt. They are absorbent, clean, reusable, strong, and washable. No.1# Wipers average 18" X 18". Due to the weight/value ratio of wipers, we charge actual freight cost on 25 lb and 50 lb wiper shipments.

ITEM NO.	DESCRIPTION	PRICE A	PRICE B	PRICE C
A	140 Tack Cloths	.75 each	\$8.00/12 (.67 ea)	\$80.00/144 (.52 ea)

	CHEESE-2 2 Yards Lint-Free Cheese Cloth	\$1.75 ea	\$1.50 ea/2 packs	\$1.25 ea/10 packs

DISPOSABLE DUST MASKS AND RESPIRATORS

We offer 3 types of dust masks which filter out wood dust, and 2 respirators which filter out both dust, paint, and vapors. **The less expensive mask (160#) has one rubber band, the premium mask (160#-PREM) has two bands and a foam gasket around the edges. The ultimate dust masks have 2 bands, foam gasket and an exhaling valve.** They all have a flexible metal nose strip that adjusts to the contours of your face. Both the Gerson® 8000 and the 3M Half Mask Respirators are NIOSH approved for organic vapors such as paint fumes. The Gerson which is disposable after many hours of use has replacement pre-filters (\$2.75/set of 2). The 3M has replacement cartridges which twist on.

ITEM NO.	DESCRIPTION	PRICE/10	PRICE/BOX	PRICE/CASE
A	160 Dust Mask (1 band)	\$3.50/10	\$10.00/50	\$110.00/600 (\$0.18 ea)

STEEL & BRONZE WOOL

We sell the best quality steel wool in 16 pad loafs or 1 or 5 pound rolls in all grades from 4# coarsest to 0000 finest. Additionally, bronze wool is available where corrosion is a problem such as in the marine industry. German RAKSO® steel wool sheets are stitched into a backing which clips onto your power sanders and eliminates hand rubbing. **Try Nicsand steel wool 5" H&L 8 Hole discs and 1/4 PSA sheets for fine finishing with your orbital sanders.**
