FLOOR REFINISHING PRODUCTS

After 30 years of wall to wall carpeting mania, hard wood floors are back in fashion. Homeowners and professionals are refinishing wood floors. Go to your rental center for the sanders, but buy your sandpaper from us at a big savings. When we sell **full 50 yard rolls we charge actual UPS freight** due to their weight/ value ratio. Floor maintenance pads are nylon non-woven discs, which are color coded for each grit: **BLACK**—COARSE for heavy scrubbing, **GREEN**—MEDIUM for wet scrubbing, **RED**—FINE for buffing, and **WHITE**—ULTRA FINE for dry polishing. We list only the most popular shapes and sizes, but have others in stock. Please ask for a quote on any size or product.
