## 9" WIDE FLEXIBLE PUMP SANDER SLEEVES AND USA PNEUMATIC CONTOUR DRUMS

Our flexible sleeves are made from resin bonded **aluminum oxide on "J" weight cloth backing**. They will flex along with the air inflated rubber drum to follow the contours of what you are sanding. **Before ordering, please verify the circumference (length) of the sleeve by cutting open an old sleeve and measuring the length.** Available in grits **40/60/80/100/120/150/220**. Other grits and widths (such as 6" or 8") can be ordered or may be in stock. Our drums are heavy duty, premium USA quality. We also have good, but lighter weight drum assemblies from Taiwan at lower prices.
